

# INNOVATE!

## AN INNOVATION POLICY BOARD GAME

Please print double sided or print one sided and attach each A side to its corresponding B side. Cut the cards out along the outlines.

To play the game, you will need the Network deck and one of the following decks: Air Pollution, Ethics and Data Ownership, Inequality, Public Health Systems, or Waste Reduction. Alternatively you can use the Blank deck to create your own cards to use alongside the Network deck.

This is the **AIR POLLUTION** deck. Please make sure you also print the Network deck to complement this one.

Please refer to the Rule book for more detailed instructions on how to play the game.
