

ShareLab Scotland Fund

DRAFT: Expression of Interest (EOI) Form (For reference only - not for submission)

About this form

This form has been created to give you an idea of the kind of questions that will be asked at the first stage of the selection process for ShareLab Scotland. We will use any feedback gained on this form to develop the final online form for your Expression of Interest.

The submission deadline of the online form when released will be 11am on 23 August via the online form ONLY. Shortlisted EOIs will be required to attend a workshop in September to proceed to the second stage. A date for this workshop will be released on the Nesta website.

Before you begin

Please make sure you have read and understood the [ShareLab Scotland Fund](#) and eligibility criteria.

I confirm my project will:

- Be delivered in Scotland for the benefit of people living in Scotland
- Make use of a collaborative digital platform
- Clearly address the themes of sustainable energy and/or transport, or otherwise deliver benefits to consumers in vulnerable circumstances and/or disadvantaged communities and/or a public need, as detailed in the Call for Ideas

About You

1. First name: (required).
2. Last name: (required).
3. Email: (required).
Please check you have typed this correctly!
4. Contact telephone number: (required)
5. Postcode

About Your idea

6. Describe your idea - what is it you're planning to do? (150 word limit)
7. Describe the problem you're trying to solve. (150 word limit)

8. Which theme will your idea address? I.e. sustainable energy and/or transport, or otherwise deliver benefits to consumers in vulnerable circumstances and/or disadvantaged communities and/or a public need? (150 word limit)
9. Explain the role a collaborative digital platform plays in the solution you are proposing. (200 word limit)
10. Describe the impact that your digital platform will have on the chosen theme. (200 word limit)
11. Outline any evidence you can point to that suggests your approach has potential to make the impact described (200 word limit)
12. Over the longer term, how might your idea become financially sustainable? (150 word limit)
13. What stage is your idea at? (150 word limit)
Please tell us more about the current level of development of the project overall.
14. Do you have evidence of demand for your idea to be developed further; please outline this if so; describe how you will establish this evidence if not. (200 word limit)

Your organisation

In order to receive funding...
